ISO-C 6-Pin and ISO 5-Hole Handpiece Light Source Tubing

This cross reference is organized by tubing functionality, not part number. The products listed here are the same high quality items that have been distributed to the dental industry through Schein and DCI for over 35 years. Distribution through DCI was discontinued by DCI in 2015 and replaced with alternate sources. All components and assembly are made in the U.S.A.
